

**REMARKS**

Claims 1-34 are currently pending in the subject application and are presently under consideration. Claims 1, 2, 18, and 28 have been amended as shown on pages 2 to 7 of the Submission. Applicants' representative notes the Board of Patent Appeals and Interferences overruling of rejection of claims 1-34 under 35 U.S.C. §102(e) in view of Rogers. The amendments as presented herein define around Carr, *et al.* as Carr, *et al.* fails to disclose or suggest generating strings based on comparing age information to current dates, as generally recited in the amended claims. Thus, rejection of claims 1-34 in view of Carr, *et al.* should be withdrawn. Favorable reconsideration of the subject patent application is respectfully requested in view of the amendments herein.

**CONCLUSION**

The present application is believed to be in condition for allowance in view of the above amendments. A prompt action to such end is earnestly solicited.

In the event any fees are due in connection with this document, the Commissioner is authorized to charge those fees to Deposit Account No. 50-1063 [SYMBP182US].

Should the Examiner believe a telephone interview would be helpful to expedite favorable prosecution, the Examiner is invited to contact applicants' undersigned representative at the telephone number below.

Respectfully submitted,

AMIN, TUROCY & CALVIN, LLP
